Our cheeses

Garstang Blue -

Garstang Blue is an award winning cheese made by Dewlay Dairies in Lancashire with a rich velvety and creamy texture and a mild blue taste. This cheese is a perfect introduction to the complex world of blue cheeses since it's mild and soft flavour doesn't assault the palate as other blue cheeses may.

Burland Bloom Brie -

A rich soft cheese with a mild flavour that matures over time. Handcrafted in small batches by Butlers, a family run cheesemaker in Lancashire. This rich & creamy cheese is made in Lancashire using local cow's milk.

Barbers Vintage Cheddar -

Barber's 1833 is made using traditional starter cultures and the finest West Country milk. Aged for at least 24 months, only when one of the Barber family judges it to be outstanding does it leave the farm as 1833. A cheese with unrivalled complexity and depth, pairs great with a vintage cider.

Rosary Goats Cheese -

Rosary is made by an independent dairy in Salisbury. It is a fresh, creamy goat's cheese with a mousse-like texture and a natural acidity. Just enough salt is added to enhance its unique, delicious flavour. Winner of the Supreme Champion Award at the British Cheese Awards 2014. Suitable for vegetarians and is pasteurised
